

Dear Sirs,

Invitation for Booth Exhibition in the 18th TCMA Technical Workshop and Exhibition

Thai Cement Manufacturers Association (TCMA) is delighted to announce that **the 18th TCMA Technical Workshop and Exhibition**, host by TCMA **will be taking place at Khao Yai Convention Centre, Greenery Resort Khao Yai, Nakornratchasima Province on Friday, 6th October 2017.** Programme is enclosed.

Our **Technical Exhibition**, this year will provide an excellent opportunity for those companies who are interested in introducing their latest techniques and technology on energy for cement industry, including alternative energy which is a theme of our 18th TCMA Technical Workshop and Exhibition. TCMA expect almost 100 representatives of leading Thai cement manufacturers to participate both workshop and exhibition.

Our **Technical Workshop**, this year will provide the most informative, featuring a wide range of expert presentations on innovative design, green solutions, and grinding technology. This will be a unique opportunity for our cement professionals engaging in latest technical.

Our **Technical Workshop and Exhibition**, this year is intended as interactive activities. Networking and selected activities will be arranged for the most benefit of participants and exhibitors.

The continuity of organizing our Technical Workshop and Exhibition until this year the 18th can be affirmed the significance of this event for cement industry. **TCMA is cordially inviting your company to join booth exhibition** which detail appears in the attachment.

TCMA look forward to welcoming you to 18th TCMA Technical Workshop and Exhibition.

Registration opens now... Don't miss it!

Yours sincerely,

Phattharawan Sukkantharak

General Manager
